

Ritansh Jain

FILMMAKER · DEVELOPER · FINANCIAL ANALYST

+91 88901 47800 ritanshkala@gmail.com Jaipur, Rajasthan, India

PROFILE

I started in photography, moved into video work through a string of internships, and studied computer applications while my real interest stayed behind the camera. After college I spent over a year trading equity and derivatives at my family's finance firm before leaving in early 2026 to commit to filmmaking. I now write, direct, and shoot my own short films, carrying each one through to the edit and color.

EXPERIENCE

Independent Filmmaker , Portfolio Development	Jan 2026 to Present
Developing original short films from concept through to shoot, edit, and color. Working solo or with a small team led by me across cinematography, directing, and post-production, while building a body of personal, emotionally driven cinematic work.	
Technical Analyst (Equity & Derivatives) , Family Finance Consultancy	Aug 2024 to Jan 2026
Conducted technical analysis of the Indian stock market to inform trading decisions across equity and derivative instruments. Applied charting, trend analysis, and risk management within the family consultancy's investment practice.	
Web Developer (Freelance) , Arthwise Living	Mar 2024 to Apr 2024
Remote (Cambridge, United Kingdom) Built and maintained web-facing assets for the brand on a remote freelance basis.	
Club Advisor & Stills/Motion Executive , NSS Cell, JIMS VK	Aug 2022 to Jul 2024
Advised the student club and led stills and motion content production over two years. Actively participated in community service initiatives including food drives for the homeless, outreach campaigns, and volunteer programs, while producing visual media documenting the organisation's work.	
Machine Learning Intern , Celebal Technologies	Jun 2023 to Aug 2023
Jaipur, Rajasthan, India Worked on machine learning projects and data-driven problem solving.	
Video Production , Veda Fertility	Aug 2022 to Oct 2022
Delhi, India Produced video content for brand and marketing use.	
Video Production , Econ2Go	Jul 2020 to Nov 2020
Delhi, India (Remote)	
Video Production , Cookrey	Mar 2020 to Jul 2020
Jaipur, Rajasthan, India (Remote)
